ZÓ MAAK JE ZELF DE PERFECTE SOFTBAITMONTAGE...

JIG & RIG CHART

Met deze tabel maak je gemakkelijk zelf de perfecte softbaitmontage, passend bij jouw visteknik en -water. Kies eerst je vissoort die je wilt belagen en bepaal dan met welke techniek je dat wilt doen op welk type water. Als je dan de grootte van je kunstas hebt bepaald, kun je vervolgens precies zien wat voor een jigkop en evt. bijpassende stinger je kunt gebruiken voor de perfecte montage.
